# Apostles Defend Their Faith

Acts 5:12-42

**Instructions:** Have your child cut along the lines around the cover of the cellular phone so that the cover folds up and down. Give your child alphabet pasta, and have him or her search for the letters to Jesus' name. Then have your child glue the letters onto the phone's screen. Remind your child that one way we can tell others about Jesus is by using a phone. (For additional classroom instructions, see the Teacher Guide.)

## Help your child have a “telling others about Jesus” marathon.

Walk around the house with your child and help him or her think of ways to tell others about Jesus. You might find things like a telephone, computer, tape recorder, drawing paper, or stationery. When you say “Go,” have your child run from one place to another, stopping at each place to say something he or she knows about

Jesus. For example, your child might say, “Jesus helps us,” “Jesus saves us from our sins,” or “Jesus loves me.” Count the different ways your child could tell others about Jesus.

## What I Learned Today...

**Bible Story:** In this week’s Bible story (Acts 5:12–42), Jesus’ disciples tell others about Jesus and heal the sick. Your child learned that he or she can be like the disciples and tell others about Jesus, too. In class kids talked about a variety of ways to tell about Jesus, such as by speaking with others, by using the telephone, by sending e-mail messages, or by our actions.

**Key Verse:** Prayer is powerful (adapted from James 5:16b).

**ASK** @ What are some ways we can tell others about Jesus?

@ Which are your favorite ways to tell others about Jesus?

@ What can you tell people about Jesus?

## Daily Challenge

Today kids committed to one of the following Daily Challenges.

Help your child weave

faith into life and follow through on his or her challenge! (Have kids circle their choice below.)

- @ Ask a parent to help you bring your neighbor some cookies, and tell him or her about Jesus.
- @ Read Acts 5:12–42 with a parent, and discuss ways you can tell others about Jesus.
- @ Tell a friend who doesn’t know Jesus why you believe in Jesus.

**Help your child mix together** 1 cup of cereal, 1 cup of chocolate chips, 1 cup of raisins, and 1 cup of miniature

marshmallows. If you like you can add other dried fruits, mini-pretzels, or cheese crackers. Let your child scoop some of this mixture into a plastic bag. Help your child tie a ribbon around the bag and attach a card. Then take your child to deliver the gift and tell the chosen person about Jesus.
